2.	Is there anything that you think we could be doing better? Is there anything that we should be doing that we are not now and visa versa?
Answer to Q2	<p>I have just moved house but so far have not found a copy of the annual accounts of Carbon 350 Ltd.</p> <p>Please send one.</p>
3.	As stated before, a favourable exit for yourself is ultimately our real benchmark, but in the interim, overall if you could assign a numerical value out of 10 to the service 350 has provided, what would it be?
Answer to Q3	8/10

Answer to Q1.	Good Service from Pomfrey. I would like a little more frequent updates, no need to send mail them. Even updates on the website would be fine. I log on every now and again but there is little change. Its not a real big issue but more frequent updates would be good	
2.	Is there anything that you think we could be doing better? Is there anything that we should be doing that we are not now and visa versa?	
Answer to Q2	My main personal interest is in the financials, and there is little financial info (maybe none) and in our phone discussions you have a lot of data to hand. if this shows you are doing well maybe you should share it with us on a more formal basis (web updates)	
3.	As stated before, a favourable exit for yourself is ultimately our real benchmark, but in the interim, overall if you could assign a numerical value out of 10 to the service 350 has provided, what would it be?	
Answer to Q3	/10	
4.	Is there anything else you would like to say?	
Answer to Q4	Cant answer q.3 as the service has not been at all bad, but then again nothing special about it to be really positive about either.

2.	Is there anything that you think we could be doing better? Is there anything that we should be doing that we are not now and visa versa?
Answer to Q2	Keep up this newsletter. Information helps in such an obscure area. I would like to see some financials also.
